

Curriculum Policy

2024 - 2025

AFSS follows the **Single National Curriculum**, ensuring a well-rounded education that covers core subjects such as **English, Mathematics, Science, and Information & Communication Technology (ICT)**.

In addition, foundation subjects include **Sindhi, Urdu, History, Geography, Art & Design, and Physical Education**. **Religious education** is provided in alignment with the Ministry of Education's agreed syllabus.

AFSS regularly reviews and updates its curriculum to meet statutory requirements. The curriculum emphasizes inclusivity, cultural diversity, and mutual respect, fostering a supportive learning environment.

Professional **teacher training programs** are integral, focusing on **lesson planning** and **examination systems** to ensure teaching effectiveness.

Co-curricular activities, such as **debates, art, sports, drama, and Quran recitation**, complement academic learning.

Educational visits and **excursion trips** further enhance the learning experience by connecting students to real-world contexts.
